

# City of Stoughton Limited Access Hunting and Trapping Permit

PERMIT # \_\_\_\_\_

**Rules and Regulations**

- All Wisconsin Dept. of Natural Resources rules apply at this site unless otherwise posted.
- City of Stoughton Ordinance Section 6-1 and 50-3 apply.
- Use of archery equipment and guns for hunting and trapping is allowed to applicable state regulations.
- Rifles larger than .22 caliber are prohibited.
- Traps must be setback at least 30 yards from any maintained mowed service area, trails, buildings or access areas. Traps should not be visible from these areas. Trap locations shall be identified with colored stakes or flagging. All traps (land and water) must be checked daily.
- This Permit must be carried while hunting or trapping on City of Stoughton property and presented if requested.
- Permit season: April 1 – March 31
