GENERAL INFORMATION

All Special Events held in Stoughton Parks require the approval of the Stoughton Parks and Recreation Department. Special Events are defined as events that include public concerts, selling alcohol, vending, a run/walk component, fireworks, and/or the attendance is expected to exceed 200 people. **Please include a one page description of the event with this application.** The packet and description will be reviewed by the Stoughton Parks and Recreation Director and any applicable City committees. We recommend submitting your application a minimum of 45-60 days in advance to assure time for review and approval of your event. Also, keep in mind that you must have approval to use the park before you can begin marketing your event.

Park Hours

All Stoughton Parks close at 10 p.m. The park hours are established and regulated in accordance with the City of Stoughton Code of Ordinances. What this means for your special event is that all of the clean up of the event must be completed by 10 p.m.

Requests for extended hours will require administrative review and must be submitted no later than 30 days prior to the reservation date.

Parking, Security, Medical Needs, and Accessibility

As an Event Organizer, you are required to provide a safe and secure environment for your event. This is accomplished through sound planning. **We require all special events to have a plan, which covers parking, security, medical needs and handicapped accessibility.** The plan description should include, but is not limited to the hiring of private security companies and licensed professional emergency medical services, crowd control, venue safety, communication plan in case of an emergency, site and route descriptions, etc. The plan may be subject to review by City of Stoughton Police and Fire Departments who may make additional recommendations.

As the event organizer, you are responsible for informing all participants, volunteers, attendees, and vendors of the parking and other regulations. Parking at events will not impede access to facilities for emergencies.

Remember to structure activities to ensure that they are barrier-free and offer equal opportunities for accessibility by persons who are disabled. When using the grandstand or other facilities, remember to keep aisles and exits open and observe capacity limits.

Event Set-up and Takedown

As the Event Organizer it is your responsibility to make proper arrangements for set-up and clean up of your event. This includes making proper reservations of the park and park shelter, and sufficient event staff and volunteers to set up, clean up and safeguard the park and the park property during your event.

For events at Racetrack Park, the Event Organizer is required to meet with City Staff for a pre-event and post-event inspection of the park and its facilities prior to setting up and after take-down. The Event Organizer is responsible for trash removal. Dumpsters are available on request. Some events will be required to pay a damage deposit. It is also your responsibility as the Event Organizer to reserve the appropriate park shelter. Submission of this Special Events packet or holding the event during the previous year does not guarantee your event the use of the park.

Special Event Permits for Alcohol Use

The Event Organizer is responsible for obtaining all permits that the City of Stoughton requires for special events containing the use of alcohol requiring a temporary Class “B” retailer’s license. See page 8-14 for more information. Completed applications should be filed with the City Clerk.

Other City/County/State Requirements

As the Event Organizer, it is your responsibility to contact the following departments or sections concerning specific requirements of your event. Not all of these will be pertinent to your event.

- Diggers Hotline (800-242-8511) must be contacted, whenever erecting a tent or structure on parkland involves any excavation.
- Dane County Public Health for temporary restaurant guidelines and inspection requirements if serving food. (242-6511)

Certificate of Insurance

Please note that the City of Stoughton requires a “**Certificate of Insurance**” from you or your parent organization’s insurance company. The Event Organizer shall submit a general liability insurance policy certificate in the amount of \$1,000,000 naming the City of Stoughton as an additional insured party. The City of Stoughton Recreation Department must receive this certificate 30 days prior to the event date.

Parking Plan

As an event organizer, it is important that you plan for safe arrival, departure and parking of the event attendees, participants and vendors. The Parks staff does monitor and ticket illegally parked vehicles at the events. As the event organizer, you are responsible for informing all participants, volunteers, attendees, and vendors of the parking regulations. If your parking plan includes using neighborhood streets or neighboring businesses, churches, etc, you will need to include the approval of such agreements in this parking plan. See the Parks and Recreation Department for Mandt Park parking plan.

Security and Medical Plan

As an event organizer, you are required to provide a safe and secure environment for your event. This is accomplished through sound planning. **If your event will have over 200 attendees, you must submit a security and medical plan for your event.** This description should include, but is not limited to the hiring of private security companies and licensed professional emergency medical services, crowd control, venue safety, communication plan in case of an emergency, etc.

Site & Route Plan

To ensure proper review of your event, please attach a site and route plan (if applicable).

Site and route plans should include, but are not limited to, the following information: location of tents, stages, fencing, vendors, portable toilets, beer gardens, dumpsters, placement of vehicles, exit location for outdoor events that are fenced, clear signage, accessible paths for wheelchairs as well as ample disabled parking and any other related event components not listed above.

Your site plan will also include the areas within the requested park you will need for the event: including the parking lot, shelter, band shell, grandstand and any other specific park features.

If your event includes a run/walk component you will need to contact the Stoughton Police Department for route approval.

Electrical Usage

Any event needing electrical will meet with the Parks Maintenance Supervisor (873-6746) to go over the needs and capabilities of the park. This should be done before signing this agreement.

Portable Restrooms

Many of City parks have permanent restroom facilities. However, they are not designed for special event use. The City of Stoughton requires one portable toilets for every 100 people beyond what the permanent facility is designed for. This figure is based upon the maximum number of attendees at your event during peak time. For example, Racetrack Park is designed for 400 people at one time. If your event has 500 people at peak times, then you will be required to provide one portable restroom. For parks besides Racetrack Park, please contact us for the load capacity of the permanent restroom.

We are requiring a minimum of 10 percent (10%) of portable toilets, but never less than one (1) unit must be accessible. Further, the ADA Standards require when clusters of portable units are provided at various locations around the event site, at least one unit in each cluster must be accessible. Accessible units should be located on an accessible route and equipped with all the accessible elements such as maneuvering space, grab bars, toilets paper dispensers within reach, etc. In addition, when all units are not accessible, the International Symbol of Accessibility must be posted on the units that are.

Peak Event Attendance _____ - 400 (Racetrack Park Load Capacity) =
_____ / 100 = _____ (Number of Required Portable Restrooms)

10% X Number of Required Portable = _____ (ADA Restrooms Required)

_____ ADA Restrooms (Min. of One)
